VENDOR LETTER

In support of the Medical School's policy of providing a Tobacco Free Environment, Eastern Virginia Medical School along with its medical campus partners, Children's Hospital of The King's Daughters, and Sentara Norfolk General Hospital effective January 1, 2009 will be 100% tobacco-free with no smoking or tobacco products permitted anywhere, including parking lots and sidewalks.

Hospitals and Schools nationwide are quickly moving in this direction. The goal is provide a healthier environment for everyone by eliminating the dangerous effects of second-hand smoke and to help staff, patients, and visitors adopt a healthier lifestyle through tobacco cessation.

Thank you in advance for sharing this information with your staff who visit the Eastern Virginia Medical Center Campus and complying with our new policy.
