

Addendum #1

Issue Date: 07.21.2021

Project: RFP OFFSITEDOCS22-103 Wellness Center Management

This addendum provides the following Offeror Questions and Answers:

1. Regarding RFP Section 3.0, "Statement of Needs / Scope of Work" Pg. 6/34, please provide the EVMS HIPAA BAA so that we can review prior to bid submission. We're willing to enter into a BAA, but generally they have inappropriate terms for storage services. Would EVMS be willing to modify the BAA to be applicable to the services that will be provided under the terms of the contract resulting from this RFP??

Review copy of HIPAA BAA template is enclosed.

2. Regarding RFP Section 10, "Special Terms and Conditions" Pg.22/34, please confirm that a bond is not a requirement of this solicitation as services provided under a resulting contract will not be for construction or facility improvements.

Confirmed, a bond is not required.

3. Due to the scope of the RFP response requirements and the short turnaround time between issue date and due date, would EVMS be open to providing a submission deadline extension?

The request for an extension is granted. Proposals will be due Wednesday, July 28 at 2:00 PM EDT.
