### Email Q&A:

1. I see you are only accepting physical submission. Is August 3 the deadline for it to be received by mail?
  - Submissions may also be emailed to the EVMS Contract Specialist at: [jeanma@evms.edu](mailto:jeanma@evms.edu).
  - Proposals must be received no later than **2:00 PM EST, August 3, 2020** for consideration.
  
2. Do you want all the documents as hard copy or would you prefer a usb drive with digital files?
  - For proposals that are mailed or hand-delivered to EVMS, please include an electronic copy of the proposal on a flash drive.
  
3. Would you allow a UK Application? If so also wondered if an email application were possible in light of the postal issues?
  - International Offerors are welcome to bid. However, Artist is responsible for handling all international fees including visas, taxes/tariffs and international accounting.
