

Addendum 2

Email Q&A:

1. Is this sculpture intended to be a figure sculpture of Dr. Britt? The RFP states "We hope the figure will become a suitable icon for the diversity and inclusion efforts on campus, and appropriately honor the distinguished work of Dr. Britt." Which makes it sound like you are wanting a figure sculpture. Is this correct?
 - It isn't determined that it has to be a figure of Dr. Britt, but that is one potential direction.

2. For the first phase, I do not include a design proposal?
 - Correct, phase 1 does not require a design proposal.

3. Do I send the requested material all printed on paper (including images) in a package by mail (one copy of each document)?
 - Submissions may also be emailed to the EVMS Contract Specialist at: jeanma@evms.edu.
