Email Q&A:

1. As I was reading about your criteria, there was a requirement of a copy of the certification of Small, Women, and Minority that would give me 10 points. As I am not familiar what this means, would you please explain to me what it is. I am a woman artist of minority, but I don't know what would allow me to get the certification.
 - o Please refer to the following agencies for information on Small Business Certification.
Certifying Agencies:
 - [Virginia Department of Small Business Supplier Diversity](#)
 - [U.S. Small Business Administration](#)
 - U.S. Department of Transportation - [Disadvantaged Business Enterprise Program](#)

2. Is the cost of the footing to be paid by the artist, from the commission budget, or will it be funded separately?
 - o Yes, it needs to be included in the total commissioned budget.

3. Is there any flexibility regarding the requirement that the sculpture be installed by a local contractor?
 - o No, we feel it is essential to support our local contractors.
