

The 17th Annual

ADVANCES IN OPHTHALMOLOGY

THE JOHN DICKERSON LECTURESHIP

April 6, 2019

Sentara Brickhouse Auditorium
601 Children's Lane
Norfolk, Virginia

EVMS
Eastern Virginia Medical School

6.0 AMA PRA
Category 1 Credits™

Accreditation

Eastern Virginia Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Eastern Virginia Medical School designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

JCAHPO CE Credit Information

Group B credit is available for Category 1 courses approved by the American Medical Association (AMA). (2 hours attended = 1 credit for COA, CCOA and COT; 1 hour attended = 1 credit for COMT)

Target Audience

This program is designed for ophthalmologists, ophthalmologists in training, COMTs, COTs, COAs and other interested healthcare professionals.

Objectives

- Describe the various optic capture techniques for IOL fixation.
- Explain the one port pars plana vitrectomy technique.
- Diagnose and treat difficult cataract cases and complications.
- Treat ocular inflammation, including the use of steroid sparing therapy.
- Identify updated therapies in the treatment of diabetic retinopathy.

Special Services

The Americans with Disabilities Act of 1990 requires that all individuals, regardless of the disability, have equal access. If special arrangements are required to attend this conference, contact the CME Office at 757.446.6140.

Cancellation Policy

All cancellations must be made in writing prior to March 22, 2019, in order to receive a refund. A \$25.00 administrative service charge will be assessed on all cancellations. No refunds will be given after this date.

Guest Faculty

After Princeton University, **Dr. Lisa Arbisser** graduated AOA from University of Texas at Houston where she subsequently completed an NIH fellowship in Neurobiology and Retina. Dr. Arbisser completed her Ophthalmology residency and clinical fellowship at the University of Iowa and

cofounded Eye Surgeons Associates PC, where she specialized in lens refractive, complex cataract, anterior segment reconstruction and pediatric cataract surgery. She is an adjunct professor at the Moran Eye Center, University of Utah.

Dr. Arbisser serves on the editorial board of Cataract Refractive Surgery Today and formerly EyeWorld. She is a reviewer and contributor to JCRS, former president of American College of Eye Surgeons and an American Board of Eye Surgeons director emeritus. She is the proud recipient of two peer-elected Golden Apple Awards at ASCRS as well as two AAO Secretariat awards.

Her research area of interest is the retro-lenticular space and its role in the eradication of secondary cataract. She and her pediatric ophthalmologist husband Amir retired from patient care after over 30 years in 2014.

Rajiv Shah, MD is an Assistant Professor of Ophthalmology at Wake Forest School of Medicine with a specialty in medical and surgical diseases of the retina, ocular immunology and uveitis. Dr. Shah is the surgical retina fellowship director at Wake Forest Baptist's department of Ophthalmology.

He received his medical degree from University of Texas at Southwestern Medical School during which time he was awarded a prestigious Doris Duke Clinical Research Fellowship. He completed his residency at SUNY at the University of Buffalo, and went on to complete a one year vitreoretinal fellowship at the University of Pittsburgh Medical Center under Thomas Friberg, MD and Andrew Eller, MD. He then completed a fellowship in uveitis and ocular immunology at the Massachusetts Eye Research and Surgery Institute along with the Massachusetts Eye and Ear Infirmary Harvard Medical School under Stephen Foster, MD, FACS and David Hinkle, MD. Dr. Shah then completed an additional medical and surgical retina fellowship at Wills Eye Hospital. He joined the faculty at Wake Forest School of Medicine in 2016.

Saturday, April 6, 2019

- 8:30 a.m. Breakfast/Sign in/Visit Exhibitors
- 9:00 a.m. Welcome and Introductions
Earl R. Crouch, Jr., MD
Course Director, EVMS Ophthalmology
Shannon McCole, MD
Residency Program Director and Chairman of Ophthalmology and Course Co-Director
- 9:15 a.m. Optic Capture IOL Fixation and the Role of Posterior Capsulotomy
Lisa Arbisser, MD
- 10:00 a.m. Scleral IOL Fixation
Rajiv Shah, MD
- 10:25 a.m. Question and Answer Session
- 10:40 a.m. Break
- 10:55 a.m. Updates in Ocular Inflammatory Disease
Rajiv Shah, MD
- 11:20 a.m. Steroid Sparing Therapies in Ocular Inflammation
Rajiv Shah, MD
- 11:40 a.m. One Port Pars Plana Vitrectomy for the Anterior Segment Surgeon
Lisa Arbisser, MD
- 12:25 p.m. Question and Answer Session
- 12:40 p.m. Lunch
- 1:25 p.m. John Dickerson Lecture: Challenges in Cataract Surgery: Complication Avoidance and Principles for Successful Outcomes in Traumatic Cataracts
Lisa Arbisser, MD
- 2:25 p.m. Question and Answer Session
- 2:40 p.m. Break
- 2:55 p.m. Updates in the Management of Diabetic Retinopathy
Rajiv Shah, MD
- 3:55 p.m. Question and Answer Session
- 4:10 p.m. Adjourn

REGISTRATION
