MAY 3, 2019
7:00 am REGISTRATION / BREAKFAST
7:35 am INTRODUCTION AND WELCOME
Rahul M. Shah, MD
Session 1SUPERFICIAL VENOUS DISEASE
Moderators: C. Scott McEnroe, MD and F. Noel Parent, III, MD
8:00 am Do We Under/treat or Over/treat Varicose Veins: What is the Natural History?
Tedd W. Gurnee, MD
8:15 am Treatment of Deep Veins in 2019
Sidharth K. Bhandarkar, MD
8:30 am Debate 1: Various Veins Should Be Removed at the Primary Procedure
C. Scott McEnroe, MD
8:45 am Debate 2: Various Veins Should Be Allowed to Discommence and Troubled at a Second Procedure
F. Noel Parent, III, MD
9:00 am Treatment of Bucitellar and Spider Veins in 2019
S. Sadie Ahanchi, MD
9:15 am Ultrasound, Obvious Veins, Taticular Veins, Prastic: Artery: Treatment Options
Harlan L. Vinger, MD
9:30 am QUESTIONS / ANSWERS
10:00 am BREAK
Session 2DEEP VENOUS DISEASE
Moderators: David J. Ducker, II, MD and Jessica A. Buchner, MD
10:30 am Pulmonary Embolism Response Team: What Are the Key Components?
Jessica A. Buchner, MD
10:45 am Debate 2: Submassive Pulmonary Embolism: There is a Role for Routine Catheter Directed Therapy
David J. Ducker, II, MD
11:00 am Debate 2: Submassive Pulmonary Embolism: Anticoagulation in All You Need
John Lysaght, MD
11:15 am Debate 2: Submassive Pulmonary Embolism: Anticoagulation in All You Need
David J. Ducker, II, MD
11:30 am Diagnosis and Treatment of May-Thurner Syndrome
Jason Mouns, MD
11:45 am Klippel-Trenaunay, Park-Weber, etc.
C. Scott McEnroe, MD
12:00 noon QUESTIONS / ANSWERS
12:30 pm LUNCH
1:15 pm KEYNOTE ADDRESS: Erica Rogers, DHR Health Medicated
Session 3PERIPHERAL ARTERY DISEASE
Moderators: Manuela Schuksz, MD, PhD and Samuel N. Steerman, MD
2:00 pm Optimizing Medical Therapy for Patients with Claudication
Ashley Sharma, MBBS
2:15 pm Supervised Exercise Therapy for Patients with Claudication
Manuela Schuksz, MD, PhD
2:30 pm Debate 3: 55-Year-Old Smoker with 2 Block Claudication and SFA Occlusion Should Have Medical Therapy Only
Deepak N. Deshmukh, DO
2:45 pm Debate 3: 55-Year-Old Smoker with 2 Block Claudication and SFA Occlusion Should Be Offered Endoteral Therapy
Tarkten A. Pharr, MD
3:00 pm Debate 3: 55-Year-Old Smoker with 2 Block Claudication and SFA Occlusion Penrose-Popliteal Skin Rejions is Still the Gold Standard
Samuel N. Steerman, MD
3:15 pm The Pathology Controversy: Limb or Life
Michael E. Landis, MD
3:30 pm QUESTIONS / ANSWERS
4:00 pm BREAK
4:15 pm The Acutely Ischemic Leg: What Is the Decision Tree for Angiography?
Richard J. DeMasi, MD
4:30 pm Limb Salvage in a Team Sport
Anthony J. Cavallaro, DPM
5:00 pm Infected Limbs: Extremity Proximal Graft: Tips and Tricks for Getting Out of Thin Moss
Gordon K. Skikos, MD
5:15 pm Complex Surgical Approaches to CLI: Pedal Bypasses: Retrograde Interventions, etc.
Mayapa Schuksz, MD, PhD
5:30 pm Applicial Classification: External Iliac Endoanima / Popliteal Entrapment: Diagnosis and Treatment
Ken Cherry, MD
5:45 pm QUESTIONS / ANSWERS
6:00 pm ADJOURN
6:00 pm NETWORKING RECEPTION
7:30 pm FACULTY DINNER
MAY 4, 2019
7:30 am REGISTRATION / BREAKFAST
7:55 am WELCOME
Rahul M. Shah, MD
Session 5ARTIC DISEASE
Moderators: Jean M. Panneton, MD and Kim Dwyer, MD
8:00 am Key Concepts in Successful Complex Endovascular Aortic Surgery
Animesh Rathore, MBBS
8:15 am Key Concepts in Successful Complex Open Abdominal Aortic Surgery
Ken Cherry, MD
8:30 am Management Decision in Type II Dissection, Medical Endovascular and Surgical Timing
Juan M. Panneton, MD
8:45 am Management of Ruptured AAA: Pathways and Institutional Guidelines
Harlan F. El Sayyad, MBBCL, PhD
9:00 am Debate 4: Are Aneurysms Breaking the Visceral Vessels (Puralveimal / Thoracoplastoabdominal Aneurous) Used to Open Repair
Animesh Rathore, MBBCL
9:15 am Debate 4: Are Aneurysms Breaking the Visceral Vessels (Puralveimal / Thoracoplastoabdominal Aneurous) Can Now Be Replasted With Endovascular Techniques (TRABEE)
Animesh Rathore, MBBS
9:30 am BREAK
Session 6VASCAOUAL POURRI
Moderators: Rahul M. Shah, MD and Animesh Rathore, MBBS
10:30 am Early” Carotid Intervention for the Patient With TIA or Small Stroke and Good Recovery
Rahul M. Shah, MD
10:45 am Critical Care Management of the Patient With Acute Stroke
Shake Akosa, MD
11:00 am TCIA in 2019: Current Status
Rahul M. Shah, MD
11:15 am Vascular-Atery Reconnervation: When and How?
Hakim “Yeat” Chen, MD
11:30 am Repeatad Interventions for AHA / AHS: When Do We Quit and Make Another Access?
Samuel N. Steerman, MD
11:45 am Endovascular Treatment of the Entire Arterial System Is Now Possible (Atric Value to Pedal Rejions)
Jean M. Panneton, MD
11:00 am QUESTIONS / ANSWERS
12:00 noon CLOSING REMARKS
Rahul M. Shah, MD
12:15 pm ADJOURN
1. Explain the natural history of varicose veins and treatment options
2. Identify the role of embolization of specific arteries and veins for truncal vein reflux
3. Define the essential elements of a Pulmonary Embolism Response Team.
4. Identify treatment options for submassive pulmonary embolism.
5. Describe the diagnosis and treatment for May-Thurner / Kippel-Trenaunay / and other unusual venous pathologies.
6. Evaluate medical / endovascular / surgical treatment options for patients with PAD.
7. Explain the controversy surrounding Paclitaxel coated balloons in the beach.
8. Define the decision tree for treatment of acute limb ischemia.
9. Evaluate the treatment options for patients with Type B Aortic dissection.
10. Describe the key concepts required for successful aortic surgery, both endovascular and open.
11. Explain the approach to complex aortic aneurysm repair, parasceral, thoraco-abdominal, and ruptured.
12. Identify the key management principles of acute stroke management.
13. Describe the timing of carotid intervention after TIA or small stroke.
15. Learn about advances in open and endovascular approaches to treatment.

Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Eastern Virginia Medical School and Sentara Vascular Specialists. Eastern Virginia Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation
Eastern Virginia Medical School designates this live activity for a maximum of 11.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Virginia Board of Medicine
Physicians may claim up to 11.5 hours in Type 1 or Type 2 CME on the Virginia Board of Medicine Continuing Competency and Assessment Form required for a renewal of an active medical license.

Location and Accommodations
This conference will take place at:
Hilton Virginia Beach Oceanfront
3001 Atlantic Avenue
Virginia Beach, VA 23451
(757) 213-3000

A block of rooms has been reserved for a special rate of $149 per night from Thursday, May 2 to Sunday, May 5.

To make reservations, please go online to www.evms.edu/cmeregistration and click on 9th Annual Current Concepts in Vascular Therapies or contact Hilton Central Reservations Line at 1-800-HILTONS directly to make your hotel reservation and indicate you are attending the “VASULAR & ENDOVASULAR THERAPIES” conference. This will ensure you will receive the preferred group rate of $149 per room (city view) or $169 per room (ocean view), per night, single or double occupancy. The tax is 14% per room per night, plus a $1.00 per room per night occupancy tax.

For directions and detailed information about the hotel, go to www.virginiabeach-oceanfront.hilton.com

2019 MID-ATLANTIC CONFERENCE
