Anyone interested in:

- Seeking anatomical training
- Expanding anatomical knowledge
- Pursuing academic medicine

Who Should Apply?

Cross-train and career advancement

Strengthen credentials to enter medical and health professions schools

Admission Requirements:

- Bachelor’s degree (qualifying 3.0 GPA)
- 2 Letters of Recommendation
- Personal Statement (500-word minimum)
- Completed scores on the GRE, MCAT, DAT or TOEFL

About the program

The MAS program combines traditional whole-body dissection with modern technologies to optimize the acquisition of anatomical knowledge. The curriculum encompasses a strong anatomical sciences foundation complimented by threads of educational research and cultural humility. Graduates demonstrate mastery of the anatomical sciences in a diverse array of careers, including academics, medical and health professions, biotechnology, and research. The program will also help those who are undecided and want to strengthen their basic science foundation to make a more informed decision.

Curriculum

**Fall 2023**
- Clinical Gross Anatomy
- Educational Scholarship
- Physiology
- Histology

**Spring 2024**
- Neuroanatomy
- Thesis I
- Teaching Assistant
- Embryology
- General Mechanisms of Disease

**Summer 2024**
- Medical Imaging
- Advanced Anatomy
- Thesis II
- Electives
