The 2021-2022 academic year was another very successful one for the EVMS School of Health Professions. Among other accomplishments we:

- Enrolled over 360 total students and graduated 337 students from our collective programs; and
- Continue to exceed national average pass rates and scores on graduating student certification and licensure exams.
- Began the development of new graduate certificate programs.

I hope you will take the time to review this report and the substantial accomplishments of our faculty, staff, students and alumni during the past year. This report mentions only a few of the many compelling reasons to be proud of them, but individually and collectively they have made EVMS more successful and the community a better place. Thank you!

Best regards,

C. Donald Combs, PhD, FSSH

Financial Information

In addition to strengthening the EVMS educational mission by managing more than 20 educational programs and establishing new programs, the SHP makes a significant contribution to the institutional core budget. As depicted in the bar chart, the SHP net excess increased substantially between FY2014 and FY2022 from approximately $6.1 million to $12 million.

2022 Awards & Special Recognition

The Award for Excellence in the Pathologists’ Assistant Program is presented annually to the graduating student who has distinguished themselves with the highest performance in the Pathologists’ Assistant program.

Elizabeth Marie Lilliston

The David E. Scott, PhD, Award honors Dr. David E. Scott, from EVMS Pathology, who as a non-Physician Assistant provided instruction and support to the program since its inception in 1999. It is awarded annually by the Master of Physician Assistant program in Dr. Scott’s memory to a non-Physician Assistant who has had an enduring impact on the growth, maturation and ongoing excellence of the PA program.

Tiffany Smith

The Eugene Stead Jr., MD, Award honors the founder of the Physician Assistant profession, who started the first Physician Assistant program at Duke University in 1965. It is awarded to the graduating Physician Assistant student who best exemplifies the profession’s ideals of courage, humility and wisdom when applying technical skills, scientific knowledge and human understanding to the care of the suffering.

Amanda L. Myrick

The EVMS Alumni Association HP Student Service Award is awarded annually to the graduating health professions student who demonstrates academic achievement as well as outstanding service to the class and Eastern Virginia Medical School.

Catherine Lindsey McCravy

The EVMS School of Health Professions Award for Community Service is presented annually by the Student Government Association and recognizes a graduating health professions student who demonstrates personal commitment to community service through his or her volunteer participation in EVMS outreach or other initiatives in Hampton Roads and beyond. The recipient of this award will have made a significant contribution to benefit the community, organization or people served.

Briana Grier

The EVMS Student Government Association HP Leadership Award is awarded annually to a graduating health professions student who has demonstrated significant achievement in leadership.

Ashton C.L. Dear-Huffman

The Gary Dean Hodgen, PhD, Award for Excellence in Reproductive Clinical Science is given to a graduating student who has demonstrated excellence in research techniques and discovery.

Robin F. Hills

The Georgeanna Seegar Jones, MD, Award for Academic Achievement in Reproductive Clinical Science is given annually to an outstanding graduating student from the Master of Reproductive Clinical Science program in recognition of academic excellence. This award was created in memory of Dr. Jones and her innumerable contributions to the diagnosis and treatment of infertility.

Rachel E. Siegrist

The PAragon Award is presented annually to a graduating Physician Assistant student who best excels in supervised clinical practice by increasing his or her knowledge base, clinical skills, competency and medical artistry.

Alicia Marie Yates

The Physician Assistant Preceptor of the Year Award is awarded by the graduating Physician Assistant class. This individual is selected for excellence in clinical teaching and mentoring.

Daniel P. Mulcrone, MD

The Surgical Assisting Anatomy Award is presented annually to a member of the graduating Master of Surgical Assisting class for academic performance of Clinical Oriented Anatomy.

Autumn L. Rumley
The Surgical Assisting Faculty Award is presented annually to a faculty member for outstanding service during the didactic year.

Karen Owen, CSA, RSA, LSA

The Surgical Assisting Preceptor Award is presented annually to a preceptor for outstanding service during the clinical year.

Laura Hadley, CSA, RSA

The Timothy J. Bos Memorial Award in Biomedical Sciences annually recognizes a graduating student from the Master of Biomedical Sciences Program who performed their research in the fields of Microbiology and/or Cancer Biology, who demonstrated outstanding scholastic achievement and exemplified the principles of collegiality and integrity. The award was established in memory of a faculty member in EVMS Microbiology and Molecular Cell Biology who dedicated his life to the training of students and research at the intersection of Microbiology and Cancer Biology.
