

## Prenatal Diagnosis Conference series

We are happy to announce the return of our monthly Prenatal Diagnosis Conference series. This lecture series has been developed to provide didactic ultrasound education to OB/GYN & radiology residents, medical students, and MFM staff. The format is case presentations with discussions of related didactic topics. *AMA PRA Category 1 Credit™* and SDMS credit are offered for each conference (maximum of 1.0 credit). The conferences can be attended virtually or in-person.
